See attached spec sheet

New 2022 Chevrolet Equinox LT

Stock:

Exterior: Mosaic Black Metallic
Transmission: Automatic

Drivetrain: All Wheel Drive
Engine: 1.5L Turbo 4-cylinder engine

Interior: Jet Black, Premium Cloth seat trim
Fuel Efficiency: 25 CITY / 30 HWY

Vehicle Details:

- Body-color door handles
 - Includes Keyless Open access from any door
- Deep-tinted rear glass
 - Provides added protection from sun and glare
 - Tint on rear side windows and rear liftgate glass
 - May require additional optional equipment
- LED headlamps
 - Provide a bright, intense beam of light to illuminate the road ahead
 - Help improve down-the-road visibility in low-light conditions
- Tires, P225/65R17 all-season blackwall (AWD only.) (STD)
- 17" aluminum wheels
 - Paired with all-season blackwall tires
- Power programmable liftgate
 - Opens your liftgate with the touch of a button
 - Memory height function allows you to program how high the gate opens to suit you
- Acoustic laminated windshield
 - Helps keep out traffic and road noises
 - Dampens sounds from the outside to help give you a quiet environment
- IntelliBeam
 - Can automatically turn the vehicle's high-beam headlamps on and off according to surrounding traffic conditions
- Automatic on/off headlamps
 - When you shut off the ignition and exit the car, the lights remain lit as you walk away
 - Headlamps will turn off automatically, after a set amount of time, to help save battery life
- Body-color mirror caps
- 16" compact spare tire
 - T135/70R16
- 17" all-season blackwall tires (AWD models)
 - P225/65R17
- Bright lower window trim
- 16" steel spare wheel
- Wheels, 17" (43.2 cm) aluminum (STD)
- Heated power outside mirrors with integrated turn signal indicators
 - Both mirrors are heated and are activated when the rear defogger is engaged, helping to clear them of ice, snow and frost to help improve visibility
 - Heated feature helps clear away ice and fog
 - Manual-folding feature lets you fold the mirrors in
 - Integrated turn signal indicators help communicate your intention to change lanes
 - May require additional optional equipment
- Front license plate bracket
 - Front bracket is included if displaying a front license plate is required in your state
- Chevrolet Connected Access capable

- Operate the power liftgate in 3 different ways: using the liftgate button on the Remote Keyless Entry transmitter, pressing the liftgate button inside the vehicle or pressing the touchpad on the exterior liftgate handle
 - May require additional optional equipment
- Subject to terms. See onstar.com or dealer for details.
- Rear window defogger
 - Helps to keep your rear view clear of fog or frost
 - Utilizes a warming grid to help remove fog or frost from the rear window
- 4.2" diagonal multi-color driver information screen
- Power door locks
 - Programmable
 - Allows you to lock and unlock doors easily whether it's from the driver or passenger seat or from outside using the key fob
 - Lockout protection helps you avoid locking keys in the vehicle
- Front carpeted floor mats
 - Helps protect your interior from road debris and the elements
 - Engineered to fit your vehicle
- Rear carpeted floor mats
 - Helps protect your interior from road debris and the elements
 - Engineered to fit your vehicle
- 2-way adjustable front head restraints
 - Easily adjust up or down, giving you the comfort you expect
- Keyless Open
 - With the key fob in your possession, locks and unlocks your vehicle's doors without having to use the key fob, increasing convenience
 - Lockout protection helps you avoid locking keys in the vehicle
 - Keep your keys in your purse or pocket to open your vehicle
- Keyless Start
 - Uses an integrated key fob sensor instead of a traditional key
 - Keep your keys in your purse or pocket to start your vehicle
 - With the vehicle in Park or Neutral, press the brake pedal and then press the engine start/stop button to start the engine; the green indicator on the button will illuminate
 - Shift to Park and press the engine start/stop button to turn off the engine
- Front passenger seatback map pocket
- Inside rearview manual day/night mirror
 - Adjust the tilt of the mirror to help reduce glare during nighttime driving
- 12-volt auxiliary cargo area power outlet
 - Located in the rear cargo area
- 12-volt auxiliary front power outlet
 - Located in front storage bin
- Remote panic alarm
 - Use to assist in an emergency situation or help in locating your vehicle
- Power driver seat lumbar control
 - Front and back adjustment supports your back and creates a more comfortable driving experience
 - May require additional optional equipment
- 8-way power driver seat
 - Seat position forward and back
 - Seat position up and down
 - Tilt seat cushion up and down
 - Recline seatback forward and back
 - Also includes 2-way power lumbar
 - May require additional optional equipment
- 4-way manual front passenger seat
 - Can be positioned forward or back and up or down
- Rear seat release levers
 - Second row manual release levers located in the cargo area
- Fold-flat rear seat with 60/40 split
- Front bucket seats
- Seats, front bucket (STD)

- Convenient levers in the rear seat allow for the seat to be folded flat
 - Rear seats can be folded individually for even greater cargo carrying options
 - Includes a center armrest and recline feature
- Steering-wheel mounted controls
 - Allow the driver to easily operate the audio system, phone interface, cruise control and Driver Information Center controls
- Charging-only USB ports
 - 2 USB ports¹ located in the rear of the center console
- Power windows with front passenger express-down
 - Quickly lowers the window with the touch of a button
 - If an obstruction is detected, the anti-pinch feature will auto-reverse
- Dual-zone automatic climate control
 - Automatically maintains the selected temperatures for both the driver and front passenger
 - Sensors strategically located around the vehicle constantly monitor the temperature, including solar heating from the windows
 - May require additional optional equipment
- 120-volt power outlet
 - Located on the rear of the center console
 - Makes it convenient for powering laptops, phone chargers and other
- Manual tilt and telescoping steering column
 - Allows the driver to adjust the steering wheel up or down, and the steering column forward or back
 - Provides extra comfort when entering or exiting the vehicle
- Overhead sunglass storage
- Theft-deterrent unauthorized entry system
 - Sounds the horn and flashes the turn signals when someone attempts to open the vehicle without the proper key or remote transmitter
 - Helps deter unauthorized entry, helping to protect your vehicle
- Driver and front passenger visors with illuminated mirrors
 - Include covered mirrors
- Power windows with driver express-up/down
 - Quickly raises the window or lowers it with the touch of a button
 - If an obstruction is detected, the anti-pinch feature will auto-reverse
- Power windows with rear express-down
 - Quickly lowers the window with the touch of a button
 - If an obstruction is detected, the anti-pinch feature will auto-reverse
- Remote Start
 - Start your vehicle remotely and step into a comfortably warmed or cooled vehicle, depending on the weather and your preset preferences
 - If equipped, the heated seats may be activated
 - May require additional optional equipment
- Heated driver and front passenger seats
 - Separate buttons on the climate control panel allow you to choose from 3 levels of warmth
 - At the touch of a button you can warm the cushions and seatbacks with multilevel temperature control
 - Individually controlled
 - Certain vehicles built on or after November 15, 2021, will not be equipped with driver and front passenger heated seats
 - Contact a dealer for details or check the window label for the features on a specific vehicle
 - May require additional optional equipment
- Adaptive Cruise Control
 - Can automatically maintain a driver-selected gap time from the detected vehicle you're following while you steer¹

- electronic devices
 - May require additional optional equipment
- Front USB data ports and auxiliary input jack with SD Card Reader
 - Includes 2 USB ports¹ (one type-A and one type-C), one SD Card slot and an auxiliary input jack located in the front storage bin
 - May require additional optional equipment
- Heated steering wheel
 - With the press of a button the steering wheel quickly heats up to provide additional comfort on a cold day
 - Leather-wrapped
 - May require additional optional equipment
- Active Noise Cancellation
 - This technology blocks and absorbs sound, as well as dampens and eliminates vibrations, helping to leave outside noise where it belongs
 - In-cabin microphones distinguish unwanted powertrain noise and cancels it to help create a quiet interior cabin
- Wi-Fi[®] hotspot capable
 - Terms and limitations apply. See onstar.com or dealer for details.
- This feature reduces the need to frequently brake and accelerate when you're driving
- May require additional optional equipment
- USB data ports
 - Includes 2 USB ports¹ located in the center console
 - May require additional optional equipment
- Leather-wrapped steering wheel
 - May require additional optional equipment
- 6-speaker audio system
 - Speakers are positioned throughout the cabin for outstanding sound quality and an enjoyable listening experience
- Bluetooth[®]
 - Pair your compatible mobile phone to your vehicle's infotainment system¹
 - Place and receive hands-free phone calls
 - Store your phone's contact list in the system to place an outgoing call quickly using the touch-screen display or voice command system
 - With streaming audio capability, you can listen to files stored on your phone or Bluetooth digital media device
- SiriusXM[®] 3-month Platinum Trial Subscription
 - The ultimate entertainment experience¹
 - Expertly curated ad-free music and exclusive artist created music channels
 - Premium sports coverage with live play-by-plays from every major sport, and sports talk including official league and college conference channels
 - You also get Howard Stern, exclusive comedy, talk and news
 - Discover even more when you stream on the SXM App, with Xtra music channels for any mood or activity, podcasts including SiriusXM originals, personalized Pandora stations and SiriusXM video
- Wireless Apple CarPlay/Wireless Android Auto capability for compatible phones
 - Apple CarPlay vehicle user interface is a product of Apple and its terms and privacy statements apply. Requires compatible iPhone and data plan rates apply. Apple CarPlay is a trademark of Apple Inc. Siri, iPhone and Apple Music are trademarks for Apple Inc, registered in the U.S. and other countries.

- Android Auto vehicle user interface is a product of Google and its terms and privacy statements apply. Requires the Android Auto app on Google Play and a compatible Android smartphone. Data plan rates apply. You can check which smartphones are compatible at g.co/androidauto/requirements. Android, Google Play and Android Auto are trademarks of Google LLC.
- Chevrolet Infotainment 3 Plus System with Navigation and 8" diagonal HD color touchscreen
 - Connected navigation system¹ with enhanced voice recognition
 - 8" diagonal HD color touchscreen²
 - Bluetooth^{®3} audio streaming for 2 active devices for compatible phones
 - Cloud⁴ connected personalization for select infotainment and vehicle settings
 - Voice command pass-through to phone for compatible phones
 - Apple CarPlay™ capability for compatible phones⁵
 - Android Auto™ capability for compatible phone⁶
 - Use, control and manage select smartphone apps through the Infotainment system
 - May require additional optional equipment
- Electronic parking brake
 - Takes the place of the manual foot actuated parking brake
 - Activated by the simple touch of a switch and can be operated even when the ignition is turned off
 - Brake is automatically set if the system senses the vehicle is parked on a steep incline
- Automatic Stop/Start disable switch
 - Switch allows the driver to deactivate this feature for the ignition cycle
- All-wheel drive
 - Helps you stay in control in low-traction situations like rain, sleet and snow
 - The system constantly monitors all 4 of the vehicle's wheels and makes adjustments for maximum traction in a wide range of challenging driving conditions
- Automatic Stop/Start
 - At complete stops, when drivers keep their foot on the brake pedal, and under certain conditions, the engine shuts off
 - When drivers remove their foot from the brake, the engine automatically restarts
 - Under certain circumstances, the engine will not shut off at a complete stop
- 3.87 axle ratio
- Axle, 3.87 final drive ratio (AWD only.)
- Performance brake linings
 - Limit noise transmission to the cabin as well as to provide good dust performance
 - The FNC rotors are treated with a process that helps harden and strengthen the rotors and helps prevent corrosion to extend rotor life
- 4-wheel antilock disc brakes, 16" front and rear
 - Help reduce wheel lockup and help maintain steering control during hard braking on most slippery surfaces
- Driver shift controls
 - Allows you to switch from an automatic to a clutchless sequential manual
 - Simple tap-up/tap-down operation lets you shift through the gears
- 1.5L Turbo 4-cylinder engine
 - Offers 170 hp and 203 lb-ft of torque
 - 4-cylinder dual overhead cam design with Direct-Injection and Variable Valve Timing (VVT)
 - Paired with a 6-speed automatic transmission

- Engine, 1.5L Turbo DOHC 4-cylinder, SIDI, VVT (170 hp [127.0 kW] @ 5600 rpm, 203 lb-ft of torque [275.0 N-m] @ 2000 - 4000 rpm) (STD)
- E15 fuel capable
- 4,630 lbs. GVWR
 - When properly equipped; includes weight of vehicle, passengers, cargo and equipment
- Mechanical jack with tools
- MacPherson front suspension
 - Delivers a connected, smooth ride
- 4-link rear suspension
 - Helps minimize road irregularities, creating a smoother ride
- 6-speed automatic transmission
 - Electronically controlled transmission with overdrive and Driver Shift Control
 - Helps provide smooth, effortless automatic shifting
- Transmission, 6-speed automatic, electronically-controlled with overdrive includes Driver Shift Control (STD)
- Airbag system
 - Frontal airbags for driver and front passenger¹
 - Seat-mounted side-impact airbags for driver and front passenger¹
 - Head-curtain airbags for front and rear outboard seating positions¹
- Automatic Emergency Braking
 - Works with Forward Collision Alert to help you avoid or reduce the severity of a front-end collision with a detected vehicle you're following¹
 - Camera technology is used to automatically provide hard emergency braking or enhance the driver's hard braking
 - This feature works at speeds below 50 mph
- LED Daytime Running Lamps
 - Illuminate when your vehicle is running and headlamps are off
- Rear child security door locks
 - When activated, prevents passengers from opening the rear doors from inside the vehicle
 - Allow rear doors to open from outside of the vehicle only
- Following Distance Indicator
 - Displays the gap time in seconds between your vehicle and a detected vehicle you're following¹
 - This can help you decide if you're following much too closely
- Forward Collision Alert
 - Can warn you if it detects a potential front-end collision with a vehicle you're following so you can quickly take action¹
 - It can also provide a tailgating alert if you're following a vehicle much too closely
- Front Pedestrian Braking
 - Can help you avoid or reduce the severity of a front-end collision with a pedestrian it detects directly ahead of you¹
 - It provides pedestrian alerts and can even automatically provide hard emergency braking or enhance the driver's hard braking
 - The system works at speeds below 50 mph during the daytime
 - It has limited nighttime and low visibility performance
- Lane Keep Assist with Lane Departure Warning
 - Uses a brief, gentle steering wheel turn to alert you when you may be unintentionally drifting out of detected lane lines, so you can steer to stay safely in your lane¹
 - If needed, you may receive additional Lane Departure Warning alerts
- OnStar[®] & Chevrolet Connected Services capable
 - Terms and limitations apply. See onstar.com or dealer for details.
- Rear Seat Reminder
 - Helps to remind the driver to check the back seat(s) before leaving the vehicle¹

- System alerts do not occur if you're using your turn signal or it detects you may be intentionally leaving your lane
- Activates when rear doors are opened and closed up to 10 minutes before or anytime while your vehicle is on
- Under certain conditions, once the vehicle is switched off, designed to sound 5 audible chimes and display a visual message within the Driver Information Center
- Activates only once each time the vehicle is turned on and off, and would require re-activation on a second trip
- StabiliTrak, electronic stability control system with traction control
 - Automatically helps enhance control, particularly during emergency maneuvers, by adjusting the brakes and engine torque to help you stay on your intended path
 - Activates when vehicle sensors detect a difference between the driver's intended path and the direction the vehicle is actually travelling
 - Includes Traction Control that detects wheel slippage and applies brake pressure and/or reduces engine power to help the driver maintain control when accelerating on wet or snow-covered roads
- Teen Driver
 - This configurable feature lets you activate customizable vehicle settings associated with a key fob to help encourage better driving behavior
 - It can limit certain vehicle features, and automatically turns on certain safety systems if vehicle is equipped
 - An in-vehicle report card gives you information on driving habits and helps you to continue to coach your new driver
- Tire Pressure Monitoring System
 - Monitors the pressure in each tire and alerts you if there is a low-pressure condition in one or more of the tires¹
 - Properly inflate tires to help optimize your vehicle's ride, handling and efficiency
 - Includes Tire Fill Alert¹
- Front and Rear Park Assist
 - Can provide distance alerts to nearby detected objects in front of or behind your vehicle to help you park and avoid collisions at low speeds¹
 - May require additional optional equipment
- Rear Cross Traffic Alert
 - Can warn you of detected left or right cross traffic behind your vehicle when you're in Reverse¹
 - May require additional optional equipment
- Lane Change Alert with Side Blind Zone Alert
 - Can provide side-mirror visual alerts when a detected moving vehicle is quickly approaching or is in your side blind zone¹
 - It can help you avoid lane change collisions
 - May require additional optional equipment
- HD Surround Vision
 - Uses multiple cameras to display a digital overhead image of the area around your vehicle along with Rear Vision Camera or front views¹
 - Front and rear dynamic guidelines laid over the display image assist in parking maneuvers by showing the vehicle's path
 - It works at low speeds and may help you park and avoid nearby objects.
 - You can select additional views on your camera display

- May require additional optional equipment
