NOW, THEREFORE, in consideration of the mutual benefits accruing to the parties to this Agreement, and for other good and valuable considerations, the parties agree as follows:

1. **Contract Documents.** The following documents and information are incorporated by reference and made part hereof; and shall comprise the Contract Documents.
 - a. This Agreement; and
 - b. Invitation for Bid (IFB) 200181– Concrete Sidewalk, Curb, Gutter & Flatwork; and
 - c. The CONTRACTOR’S response to IFB 200181 made electronically on January 28, 2020 at 11:40 AM; and
 - d. Attachment ‘A’ – Contracted Unit Prices.

2. **Scope of Services.** The CONTRACTOR shall furnish concrete and masonry services to the CITY as listed in Invitation for Bid 200181. The unit costs for Services are listed in Attachment ‘A’ – Schedule of Items. Nothing herein shall limit the CITY’s right to obtain these services from other contractors for the same or similar work.

3. **Labor and Materials.** The CONTRACTOR shall furnish all labor, material and equipment necessary for satisfactory contract performance. When not specifically identified in the technical specifications, such materials and equipment shall be of a suitable type and grade for the purpose. All material, workmanship, and equipment shall be subject to the inspection and approval of the CITY’s representative.

4. **Other Services.** The CITY may request Other Services related to concrete and masonry services that may not specifically appear in the list of contracted services. For any Other Services the CITY will request the CONTRACTOR to prepare a Cost Proposal for the desired services. The CITY and CONTRACTOR will mutually agree to the Scope of Work and Cost for Other Services requested under this Agreement.

5. **Professional License.** The CONTRACTOR will hold and maintain all required professional licenses required by regulatory agencies to perform the services covered by this Agreement.

6. **Payment.** All invoices shall contain the purchase order number, date and location of services provided quantity of services, CITY pay item number, item description and confirmation of acceptance of the services by the appropriate City representative. Failure to submit invoices in the prescribed manner will delay payment. Payments shall be tendered in accordance with the Florida Prompt Payment Act, Part VII, Chapter 218, Florida Statutes.

7. **Term of Agreement.** The Initial Term of the Agreement will be through September 30, 2022.

- a. **Option to Renew.** The CITY may renew the Agreement for an additional term or terms not to exceed a total of three (3) additional years, if mutually agreed upon by the CONTRACTOR and the CITY.

8. **Firm Fixed Price Period.** All Pricing will be firm and fixed through the Initial Term of the Agreement. Following the firm fixed price period the CONTRACTOR may request a price adjustment as provided for in the Cost Adjustments section.

- a. **Cost Adjustments.** Any cost adjustment(s) shall be made by a written amendment to this Agreement. Approval will be made by the Leesburg City Commission as the approving body of this original Agreement.

9. **Cost Adjustment.** Pricing for any Renewal Terms will be subject to an adjustment only if increases in the industry can be documented. However, unless very unusual and significant changes have occurred in the industry, such increases shall not exceed 5% per year.

The CONTRACTOR is responsible for requesting any Price Adjustment during the Contract renewal process. Any requested price increase shall be fully documented and submitted to the CITY at least sixty (60) days prior to the then current Contract term. Any approved Price Adjustment will become effective when the Contract is extended by written Amendment.

The CITY may, after examination, refuse to accept the requested Price Adjustment if they are not properly documented, increases are considered to be excessive, or decreases are considered to be insufficient. In the event the CITY does not wish to accept the adjusted costs and the matter cannot be resolved to the satisfaction of the CITY, the Agreement will not be renewed.

10. **Termination for Convenience.** The CITY may terminate this Agreement at any time without cause by providing the CONTRACTOR with FIFTEEN (15) calendar days advance notice in writing. In the event of termination for convenience, all finished or unfinished deliverable items prepared by the CONTRACTOR under this Agreement shall, at the option of the CITY, become the CITY's property. If the Agreement is terminated for convenience by the CITY as provided herein, the CONTRACTOR shall be paid for services satisfactorily completed, less payment or compensation previously made. The CONTRACTOR shall not incur any additional expenses after receiving the written termination notice.

11. **Termination for Default.** If, through any cause, the CONTRACTOR shall fail to fulfill in a timely and proper manner its obligations under this Agreement, other than for the instances listed below due to "Force Majeure," the CITY shall thereupon have the right to terminate this Agreement by providing a written notice (show cause notice) to the CONTRACTOR requiring a written response due within FIVE (5) calendar days from receipt of the written notice as to why the Agreement should not be terminated for default. The CITY's show cause notice shall include an Agreement termination date at least SEVEN (7) calendar days subsequent to the due date for the CONTRACTOR's response. Should the CONTRACTOR fail to respond to such show cause notice, or if the CITY determines that the reasons provided by the CONTRACTOR for failure of the CONTRACTOR to fulfill its contractual obligations do not justify continuation of the contractual relationship, the Agreement shall be considered to have been terminated for default.

on the date indicated in the show cause notice. Should the CITY determine that the CONTRACTOR provided adequate justification that a termination for default is not appropriate under the circumstances; the CITY shall have a unilateral option to either continue the Agreement according to the original contract provisions or to terminate the contract for convenience. In the event that the CITY terminates the contract for default, all finished or unfinished deliverable items under this contract prepared by the CONTRACTOR shall, at the option of the CITY, become CITY property, and the CONTRACTOR shall be entitled to receive just and equitable compensation for any satisfactory work completed on such materials. Notwithstanding this compensation, the CONTRACTOR shall not be relieved of liability to the CITY for damages sustained by the CITY by virtue of any breach of this Agreement, and the CITY may withhold any payment due the CONTRACTOR for the purpose of set-off until such time as the exact amount of damages due the CITY from such breach can be determined.

In case of default by the CONTRACTOR, the CITY may procure the services from other sources and hold the CONTRACTOR responsible for any excess cost occasioned thereby. The CITY reserves the right to require a performance bond or other acceptable alternative performance guarantees from the successor CONTRACTOR without expense to the CITY.

In addition, in the event of default by the CONTRACTOR under this Agreement, the CITY may immediately cease doing business with the CONTRACTOR, immediately terminate for cause all existing Agreements the CITY has with the CONTRACTOR, and debar the CONTRACTOR from doing future business with the CITY.

Upon the CONTRACTOR filing a petition for bankruptcy or the entering of a judgment of bankruptcy by or against the CONTRACTOR, the CITY may immediately terminate, for cause, this Agreement and all other existing agreements the CONTRACTOR has with the CITY, and debar the CONTRACTOR from doing future business with the CITY.

Additionally, the CITY may recoup any fee or commission paid or due to any person significantly involved in initiating, negotiating, securing, drafting or creating the Agreement on behalf of the CITY from any other party to the Agreement.

12. **Force Majeure.** Neither party shall be deemed to be in default of its obligations hereunder if and so long as it is prevented from performing such obligations by any act of war, hostile foreign action, nuclear explosion, riot, strikes, civil insurrection, earthquake, hurricane, tornado, or other catastrophic natural event or act of God. Should there be such an occurrence that impacts the ability of either party to perform their responsibilities under this contract, the nonperforming party shall give immediate written notice to the other party to explain the cause and probable duration of any such nonperformance.

Any goods and/or services purchased as a result of this solicitation and/or Agreement may be tested and/or inspected for compliance with specifications. In the event that any aspect of the goods or services provided is found to be defective or does not conform to the specifications, the CITY reserves the right to terminate the solicitation or initiate corrective action on the part of the CONTRACTOR, to include return of any non-compliant goods to the CONTRACTOR at the CONTRACTOR's expense, requiring the CONTRACTOR to either provide a direct replacement for the item, or a full credit for the returned item. The CONTRACTOR shall not assess any additional charge(s) for any conforming action taken by the CITY under this clause. The CITY will not be responsible to pay for any product or service that does not conform to the contract specifications.

In addition, any defective product or service or any product or service not delivered or performed by the date specified in the purchase order or contract, may be procured by the CITY on the open market, and any increase in cost may be charged against the awarded contractor. Any cost incurred

by the CITY in any re-procurement plus any increased product or service cost shall be withheld from any monies owed to the CONTRACTOR by the CITY for any contract or financial obligation.
